Kate Barry

Kate Barry is a Christchurch-born, Brisbane-based painter with a degree in illustration, printing-making and graphic design who has exhibited vastly across Australia and New Zealand. With a multitude of recognitions and awards in her repertoire and many commissions and exhibitions set for 2021, Kate's residency 'Extend' at Side Gallery in Red Hill, showcased entirely new work, with large scale pieces with an addition of 41 small works on board. This residency primarily focussed on process, while using the gallery as a new space to explore painting upright, with different tools and sizes of boards.

Kate's painting practice emphasises free, spontaneous, and emotional expression with mark-making techniques using a killer colour palette that nods to her background in design. Dynamic compositional drama, teamed with Kate's ability to tie lyricism and beauty to gestural mark-making, consistently proves the artist's ability to reflect, articulate, and capture an expression.

Immersing herself in the visceral stimulus and raw physicality of paint, Kate's works are an intuitive disassemblage of the confines of our constant digitally stimulated lives. Painting is an almost primitive, spontaneous response to our natural surroundings and sensory internal dialogue. Works explore traces of nostalgia and the innate emotional re engagement with the energy of nature that is all around us. Through paint on canvas she breaks through the periphery into a raw terrain of bold brushwork and vitality of colour. As we pass by we allow ourselves to be drawn in.

ACKNOWLEDGEMENT OF COUNTRY

Yuggera [yug-a-rah]

Turrubul [tor-oo-bull]

We acknowledge the Yuggera and Turrubul people as the Traditional Custodians of the Country we live and work on at Side Gallery. We recognise their continuing connection to the land, waterways and skies, and thank them for protecting this region and its ecosystems since time immemorial. We pay our respects to Elders past, present and emerging and extend that respect to all First Nations people, acknowledging too that they never ceded sovereignty of the land, skies and waterways.
